

**We're still fishing for your comments.....**

**The United States Environmental Protection Agency (EPA) has  
EXTENDED the PUBLIC COMMENT PERIOD on the**

***Proposed Plans  
for Operable Unit 1 (OU 1—the former Export Plant) and  
Operable Unit 2 (OU 2—the former Screening Plant)***

The Proposed Plans provide an overview of the site history, site contamination, and risk; summarize the remedial alternatives EPA is considering; and detail EPA's preferred remedial alternative and supporting rationale. The documents can be reviewed at the Information Repositories listed below and have been mailed to the residents of Libby and Troy.

The Agency seeks public comment on the Plans and will respond to these comments in the subsequent Records of Decision (RODs). This is your primary opportunity to formally comment on how EPA plans to protect human health and the environment at OUs 1&2.

***The comment period on the Proposed Plans for OU 1 and OU 2  
has been extended to December 16, 2009—that's less than 2 weeks away!!***

Please mail or e-mail your comments to:
